Pupil Voice

As a rights respecting school, we try to provide opportunities for our children to have a voice in making decisions, approaching their learning in different ways and developing their communication and leadership skills. Each year pupils have the opportunity to apply for different roles and responsibilities through presentations and written manifestos, which the children share with their class. The children then vote anonymously for who they would like to represent these different roles.

ROALD DAHL DAY

A huge thank you to parents and carers for your support with the fantastic Roald Dahl costumes. Your Children all looked amazing and we had a variety of characters from 'Fantastic Mr Fox' to 'Mrs Twit' represented. They had a great day learning about this author, and some of the wonderful stories he has written and the 'scrumdiddlyumptious' vocabulary he uses. Please check out our website for to see our learning.

TUCK SHOP

From Tuesday 16th September, Mrs Griffin will be running a tuck shop after school. Sweets will be sold at 30p a bag and children will be able to buy 1 bag only. Our Y6 pupils will also help to run this too. All profits raised will go towards school funds which will help with some of the resources/trips/experiences we have planned for your children.

ALDI KIT FOR SCHOOL

From 6th September to 3rd November, families who shop in ALDI stores can receive Team GB stickers to send to school with your children. This is to support Get Set to Eat Fresh and its aims to improve the healthy eating habits of 1.2million children by 2020. This initiative provides free downloadable materials to support teachers and parents in developing the children's understanding and love of fresh healthy food. Our school is taking part and will receive an exclusive sports kit for the children as a result. If you help our children to collect the 300 stickers needed, there is chance to win an amazing £20,000 to help a health legacy for school. Also, if you visit getseteatfresh.co.uk there are some great resources for you to use at home.

HEALTHY SCHOOLS WEEK

Next week all our children will be taking part in a week focusing on healthy lifestyles. They will be taking part in an additional sports assessment day too, so please ensure their PE kits are in school.
