Further School closure update following new announcements made on 10/5/20
Re: Coronavirus update - Possible plans to reopen to some in June.

Dear Parents/Carers,

Many of you may have questions regarding Boris Johnson's speech last night and his referring to schools possible reopening in June for reception, Y1 and Y6 at first. I can only tell you that this information is as new to me as to you, and we can only wait for further advice and instruction from the Government before we plan to reopen school in any way.

Rest assured, the safety of our children and families will be at the forefront of any future decisions we make. For those of you who are concerned about sending your child to school, should this go ahead in June, we will work with you and support you with any concerns you may have.

We will continue to keep you all informed when we know more. Thank you again for your support.

Take care and stay safe.

Z Norris
Headteacher
