17th July 2020.

Dear Parents/Carers

School Dinner arrangements for September 2020

As all our pupils return to school in September the school dinner menu has had to be modified to accommodate social distancing and government guidelines.

Attached is the new menu which will be the same every week. It is a reduced version to allow the pupils to remain in their bubbles and eat in their classrooms. The menu has been selected to limit the use of cutlery and to make the food portable and easy to carry. Yoghurts and fresh fruit will also be served.

We recommend that you send your child to school with their own drinks bottle clearly labelled with their name and class - no fizzy drinks please!

With effect from September school dinners will cost **£2.50 per day - £12.50 per week**. This needs to be paid in class every Monday for that week (even if your child is not having school dinners every day). If you think you may be eligible for benefit free school meals (not the universal free school meals that all FS and KS1 children receive) then please visit RMBC's website and complete an application form - it only takes 5 minutes!

If you have any queries about school dinners, then please do not hesitate to contact us.

Kind regards.

Z Norris
