

Dear Parents/Carers and children of West Melton,

Let us introduce ourselves to you all we are the new Student Council, and Rights Respecting Chair and Vice Chair members. Our job is to help our school be safe and stay open. We all have the right to learn and be safe.

This letter is to inform you of how we can all be safe to prevent us from catching COVID-19.

In school we all need to use hand gel, wash our hands regularly and try to keep our distance from each other. We all need to stay in our separate bubbles too.

Can we ask all our parents to wear a mask when you come into school to drop your child off and also when you pick them up too. We know that they can be strange and annoying to wear, but it is for our and your safety. On the floor into school there are some red marks- these are to help you social distance too.

Thank you for our first letter. If you could listen to the advice it would be appreciated by all the children of this school.
